

Sponsorship Opportunities

SEPTEMBER 17-19

Portland, OR

We can't wait to see you in Portland, OR for another immersive, three-day GivingData user convening. For over a decade, GDConnect has been an incredible way to bring our community together to learn and connect.

The GivingData community is growing quickly, and to ensure the best, most rewarding experience for all attendees, we are planning to build on last year's success and feedback to make GDConnect 2025 our best conference yet.

However, hosting a three-day event that meets and exceeds the expectations of our growing community is a significant investment, so we hope you will consider sponsoring GDConnect 2025. With your help, we will improve the overall participant experience and create more learning and sharing opportunities while keeping registration fees low to allow more community members to attend.

We've compiled a few sponsorship options below. Please contact Roberto Cremonini at roberto.cremonini@givingdata.com with any questions about how you can support GDConnect.

With gratitude,

Liz Fischer
CEO

Building Community. Inspiring Ideas.

GDConnect 2025 is an opportunity for the GivingData community to gather, learn, and connect with each other. It's a space to exchange ideas, explore new approaches, and learn from one another's experience in service of more thoughtful, impactful philanthropy through the GivingData platform.

GDConnect welcomes 150+ grantmakers each year to engage in collaborative discussions about grantmaking trends and how to make the most out of their GMS. Roles consist of everyone from grants managers and program officers, to executive directors and presidents of foundations.

Attendees include everyone from grants managers and program officers, to executive directors and presidents. They represent funders of all shapes and sizes including private, family, independent, community, and corporate foundations.
